

# FIRST STEPS TREATMENT CENTER

## COMPREHENSIVE DETOX AND REHABILITATION CENTER

AT CROZER-CHESTER MEDICAL CENTER

First Steps Treatment Center is committed to healing individuals and families affected by substance abuse disorders. We provide short-term detoxification and long-term inpatient rehabilitative services for men and women in Delaware County and beyond.

Patients also benefit from comprehensive, 24-hour medical services and have access to the extensive resources within Crozer-Chester Medical Center and the Crozer-Keystone Health System. Participation in treatment is voluntary and family-focused.

First Steps Treatment Center is part of Crozer-Keystone Behavioral Health, Delaware County's leading provider for psychotherapy, substance abuse and addiction care.

Substance abuse and addiction can affect anyone. This disease is not limited by age, gender or economic standing. If substance abuse is causing dysfunction in your life, First Steps Treatment Center can help.
